

Agriculture, Development and Zambia...

... through my lens.

By: Sierra Jensen

EWB Overseas

- Burkina Faso, Ghana, Malawi and Zambia
- Partners in agriculture and water & sanitation

“Capacity Building”

Go to the People
Live with them
Learn from them,
Love them.
Start with what they know,
Build with what they have.
. . . But with the best leaders
When the work is done
the task is accomplished
The people will say,
‘We have done this ourselves.’

- Lao Tsu

International Development Enterprises (IDE)

Input supply
Irrigation technology
Marketing
Credit
Capacity building
Gender

Marketing - the challenges

- Linkages
- Price volatility
- Capital
- ...and so much more!

Who do we work with?

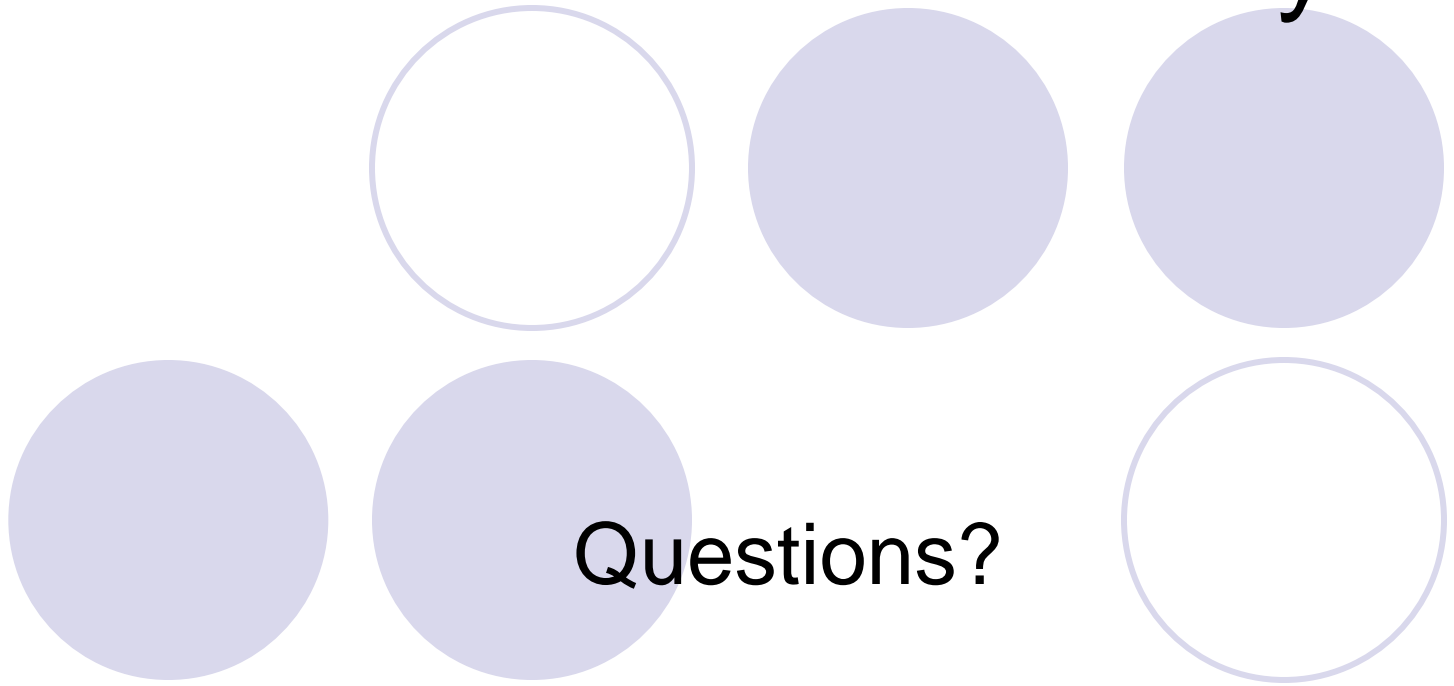

Small scale
farmers like
Mr. Nkhuwa

The Nkhuwa Family

Thank you!
