

Call for Abstracts

Abstracts of no more than 400 words should be submitted in English or French via email to the Technical Chairs, Matthew Perras and Maureen White (2010cygegc.technical@gmail.com), by April 15th, 2010 for inclusion into the conference proceedings (CD).

Participants are encouraged to submit their abstracts *well before* this date as space is limited and abstracts will be accepted in the order that they are received. Extended abstracts should be prepared using the Word template at the following link:

http://www.geotechnical.ca/cygegc2010/cYGEGC_ExtAbstractTemplate.doc

Participants must register for the conference at the time of abstract submission, to secure their place.

A wide range of specialties will be represented, however submissions on the following technical themes are particularly encouraged:

- Case Histories
- Advances in Modeling/Testing
- Environmental Geology
- Geohazards
- Soil and Rock Mechanics
- Geo-environmental Engineering
- GIS and Remote Sensing

Questions regarding the technical program should be directed to the Technical Chairs:
